

## Appeals Against Internal Assessment of Work For external qualifications

Smiths's Wood Sports College is committed to ensuring that whenever its staff assess students' work for external qualifications, this is done fairly, consistently and in accordance with the specification for the qualification concerned. Assessments are conducted by staff who have appropriate knowledge understanding and skills, and who have been trained in this activity. The centre is committed to ensuring that assessment evidence provided by candidates is produced and authenticated according to the requirements of the relevant specifications for each subject. Where a set of work is divided between staff, internal moderation and standardisation will ensure consistency.

If a student feels that this may not have happened in relation to his/her work, s/he may make use of this appeals procedure. Note that appeals may only be made **against the process** that led to the assessment and **not against the mark or grade** submitted by the centre for moderation by the awarding body.

This procedure is available from the exams office and is made available to students

1. Appeals should be made as early as possible and at least two weeks before the end of the last externally assessed paper in the examination series (eg the last GCSE written paper in the June GCSE exam series).
2. Appeals should be made in writing by the candidate's parent/carer to the Exams Officer, who will investigate the appeal with the Vice Principal and one other member of staff who has not been involved in the internal assessment decision. If the Vice Principal was directly involved in the assessment, then the Principal will appoint another member of staff of similar or greater seniority to conduct the investigation. Likewise, if the Exams Officer is not able to conduct the investigation for some other reason.
3. The purpose of the appeal will be to decide whether the process used for the internal assessment conformed to the published requirements of the awarding body and the examinations code of practice of the QCA.
4. The appellant will be informed in writing of the outcome of the appeal, including any relevant correspondence with the awarding body and any changes made to the procedure relating to internal assessment.
5. The outcome of the appeal will be made known to the Principal and will be logged as a complaint. A written record will be kept and made available to the awarding body upon request. Should the appeal bring any significant irregularity to light, the awarding body will be informed.

### Moderation

After work has been assessed internally, it is moderated by the awarding body to ensure consistency between centres. Such moderation frequently changes the marks awarded for

internally assessed work. That is outside the control of Smith's Wood Sports College and is not covered by this procedure. If you have any concerns about it, please ask the Exams Officer for a copy of the appeals procedure of the relevant awarding body.

## **Results**

When results are received the school may appeal against or query an individual result with the relevant awarding body. If a parent wishes to query a result, they should make their intentions and reasons known to the Exams Officer in writing, within one week of the issue of exam results by the awarding body.

## **Enquiries About Results (Re-marks)**

In cases of Enquiries about Results, where the school does not uphold a request for such an enquiry, the student may normally pay to have an enquiry carried out. Where the student wishes to challenge the decision not to hold an enquiry or consequent appeal, a similar procedure to that mentioned above will be carried out.
