

Parent Pay

In an attempt to remove all cash and cheques from school we are asking all parents to only use our e-payment system to pay for **lunch money, trips and all other school activities and purchases**. This can be done online via the ParentPay website or through local stores where you see the PayPoint logo.

Please be assured the website is a secure site. ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available. You have a secure online account, activated using a unique set of activation codes. You will be prompted to change these and create your own secure Username and Password for future logins.

If you have two or more students at the school, you can merge their accounts once logged in.

ParentPay account activation codes will be provided by the school. Please don't hesitate to call the school if you have any problems.

Making a payment is straightforward and ParentPay holds an electronic record of your payments to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

Those parents wishing to pay cash should contact the school office to request the option of paying in cash at local convenience stores displaying the PayPoint logo. PayPoint payments are recorded by ParentPay in the same way as online payments and may be seen in your payment history under **My accounts**.

Please visit www.parentpay.com, click **Login** and activate your account using the codes provided. Your support by using ParentPay will help the school enormously, thank you.
