December 2016

Dear Parent/Guardian,

I am writing to inform you of a revised extension to your son/daughter's timetable in response to student progress outcomes in the recently completed mock exam series.

To ensure all our students are prepared and to increase their chances of achieving their expected progress or at least to the benchmark of a grade 5 in English and Maths we will be implementing the following **compulsory** additional lessons from 9th January:

Citius students are required to complete an additional Maths lesson every Monday and English lesson every Tuesday between 3:00pm and 4:00pm.

Altius and Fortius students are required to complete an additional English lesson every Monday and Maths lesson every Tuesday between 3:00pm and 4:00pm.

All lessons will be delivered by their current English or Maths teacher.

These additional compulsory sessions will run alongside other subject sessions outlined in the revised weekly booster programme on the reverse side of this letter. If your child is targeted to attend other subject booster sessions then you will be notified in writing by the corresponding Head of Department.

This decision has not been taken lightly but we feel with the support of staff and yourselves we are confident that this change can only improve your child's chances of achieving 'at least' their target grade in their English and Maths GCSE and in other subjects where intervention has been targeted for your child.

If you have any questions regarding this change then please do not hesitate to contact me.

Yours sincerely

Craig Beasley
Vice Principal

Principal: A Miller BA MA

Principal: K Craig BSc
