

Year 11 Revision Schedule				
This is an advised revision schedule. It will ensure that you have covered each part of the course and are ready to sit your exams in May/June. Remember this is your responsibility . Your teacher cannot sit the exam for you. <i>It is down to you to decide whether to opt into success or to make the choice to fail.</i> Each section should take at least 1 hour study. This means 2 hours a week on English in your own time. All information should be in your books or available on line.				
Date	Weeks until the exam period	Poem to Revise -	Unit to Revise	Homework task
Each week you will need to revise the given topic. This includes re-reading the texts, annotating, learning quotes and completing exam style questions. I have provided an exam question every week for each topic. It is down to you to complete the questions. All homework/completed questions to be handed in by Friday each week. (I will leave boxes in my room) You will also need to be using you Knowledge Organisers to help support your revision.
