

Year 10 Task: Week Beginning Monday 1st June

Next academic year you will study economic geography and look at some of the development gap across the world. Whilst you are at home, I would like you to get ahead in this work. The case study for this topic is NIGERIA. Using the internet to help you (either through a laptop or you phone), answer the questions below in as much detail as you can.

1. Where is Nigeria located?
2. What type of country is Nigeria (LIC, NEE or HIC)?
3. Why is Nigeria so globally important?
4. Why is Nigeria so important within the continent of Africa?
5. Explain the politics of Nigeria including the social context of it.
6. What global trading links does Nigeria have with other countries and has this changed over time?
7. Where does Nigeria get most of its income from?
8. How is manufacturing in Nigeria affecting its economic development?
9. Define TNC
10. What are the advantages and disadvantages of TNCs in Nigeria?
11. Unilever is one specific TNC in Nigeria – how as it been able to help the local people?
12. Shell is also a TNC located in Nigeria. What have the positives and negatives been of this?
