

List of Colleges, Sixth Forms and Independent Training Providers September 2023-2024

Hello Parents

IMPORTANT! If applicable, please make sure you attend the right campus for the course you are interested in as tutors for that area will be based only on that campus on the day.

Most school sixth forms have had their open evenings by now, however, call the sixth forms directly and ask for a talk and tour after school. I am confident they can arrange this for you if that sixth form is a priority choice for your child.

Please be aware that providers have the habit of cancelling and rearranging open events. Please check in advance to ensure the event is still taking place!

Useful website to check for other open days: [Opendays.com](https://www.opendays.com) - [university and college open days - home page](#)
