# Advice for selecting your subjects

## DO

- Look at which qualifications you need to apply to college or an apprenticeship
- Consider which courses you will need for a future career
- Think about how you prefer to be assessed – Exams, coursework, practical assessments
- Select subjects which you are interested in and will be motivated to work hard in
- Speak to lots of people about your options

## DON'T

- Select a subject because your friend is selecting it
- Pick a subject because you think it is easy
- Choose a subject based on your current teacher
