

June 2025

Dear Parents/Carers,

Study Leave

All students will be on study leave from Monday 9th June. Their final day is Friday 6th June. All students will attend school on Friday for their English Language Paper 2 exam which starts at 9am.

At approximately 11am following this English exam, all students will leave the school site, unless they study Geography. Geography students will have a masterclass from 11.20am – 12.20pm. They then have their lunch, followed by their Geography Paper 2 exam at 1pm.

Expectations during study leave:

- Attend school on days when they have an exam or a masterclass session.
- Dedicate this time at home to focused revision and preparation for their upcoming exams.
- We encourage parents/carers to support their child by creating a conducive study environment at home.

Masterclass Programme

We have designed a masterclass programme which will see a student being given time with their subject teacher prior to the exam. We have made some slight adjustments to the timings of the programme since the first version we published. The updated version can be seen below. From 9/6/25 we are bringing forward the afternoon masterclasses to now start during period 2 or period 3. This means that masterclasses will now finish at the end of period 4 with students leaving the school site at lunchtime.
