

Year 11 Study Skills Evening

Dear Parent/Carer,

Welcome back to our Year 11 students and their families.

This is the year where your child will sit their GCSE exams alongside any vocational courses they are studying. This is a crucial point in your child's education, as the results they secure in August 2026 will determine the number of opportunities they have available to them in their further education and beyond.

Over the course of Year 11, your child will benefit from a range of strategies which will support them to achieve the best possible outcomes in all their subjects. With us now being just eight months away from the start of the summer exam series we would like to invite you and your child to our **study skills evening**. This event will take place on **Thursday 25th September 5.30 – 6.30pm** in the school theatre. Please begin to arrive from 5.15pm.

During the study skills evening you will have the opportunity to hear from and speak to a range of staff including:

- Head of English – Ms Roche
- Key Stage Leader in Maths – Mrs Wilczynska
- Year 11 Achievement Leader – Mr Molloy
- Careers Advisor – Mrs Long
- Assistant Principal – Ms Odedra
- Vice Principal – Mr Friswell

Your attendance, alongside your child is very important at this key event. I look forward to seeing you there and answering any questions you may have to ensure we can work together to secure the best outcomes for your child.

If you have any questions, please contact us via the MCAS app.

Mr Friswell
Vice Principal
