

13th July 2026

Dear Parents and Carers,

GCSE results August 2026

Students will be able to collect their exam results from school between **9am – 11am on Thursday 20th August**. Students should enter through the main reception. After they have collected their results, they will be able to use these to enrol with their post 16 provider.

If a student is unable to collect their results and would like someone to collect them on their behalf, they must email our exams manager s.thomas@smithswood.fmat.co.uk with the name of the person collecting their results. The person who has been given permission to collect these results will need to bring photo ID.

If a student is unable to collect their results and no one can collect them on their behalf, we are able to email results later in the day on Thursday 20th August. Again, please email our exams manager to confirm this.

Our careers advisor Mrs Long will be in school and available to students to discuss results and next steps for all students. Solihull Careers Hub will also be in on results day to support with destination advice and guidance.

Mrs Long has put together a FAQ sheet for school leavers. This can be accessed via our school website or clicking this link [School Leavers FAQs](#)

If you have any questions about post 16 courses, please contact Mrs Long via email: d.long@smithswood.fmat.co.uk.

Yours sincerely,

Mr Friswell
Vice Principal
