

SMITH'S WOOD ACADEMY

PROSPECTUS
2026-27

PART OF THE FAIRFAX MULTI-ACADEMY TRUST

FAIRFAX
MULTI-ACADEMY TRUST

Mr Simon Jones | CEO

Welcome from the CEO

We are delighted that you are considering sending your child to Smith's Wood Academy. Smith's Wood is one of a family of four academies that form the Fairfax Multi-Academy Trust (FMAT).

Established in 2014, FMAT is an educational charity, which encourages its academies to celebrate their own uniqueness, whilst sharing one mission, vision and set of values.

Our mission is "Enriching Lives; Transforming Futures". We achieve this by ensuring all of our students access a broad and wide-ranging curriculum, while being supported in a structured, kind and caring environment.

Our family is a values-led organisation. The following five values underpin all of the work we do:

Excellence - We strive for the highest quality to ensure excellent outcomes and personal achievements.

Dedication - We believe there is dignity in hard work and effort.

Ambition - We aim to be the best that we can be, in all that we do.

Integrity - We believe in openness, honesty and have a real sense of moral purpose.

Tradition - We believe in good manners, kindness and respect.

OUR VALUES

Our vision is that every child within the Trust, regardless of their background, will attend an Academy that offers a high-quality education.

What do we mean by 'high-quality of education'?

Every child is recognised as an individual and has access to first-class pastoral care because we want your child to be happy;

Every child benefits from a wide range of enriching opportunities because we place great emphasis on your child's personal development;

Every child benefits from dedicated leaders, teachers and staff who are relentless in their ambition to improve the quality of teaching in our academies because we know excellent teaching is key to transforming the futures of our students.

OUR VISION

ENRICHING LIVES; TRANSFORMING FUTURES

Welcome from the Principal

We are proud to welcome you to Smith's Wood Academy and to share with you all that makes our school such a special place to learn, grow and succeed. There has never been a more exciting time to join our Academy as we continue to build on our success and provide outstanding opportunities for every young person in our care.

We understand that choosing the right secondary school is one of the most important decisions a family can make. Our aim is to ensure that every student feels happy, safe and supported, allowing them to build confidence, develop independence and make the most of the many opportunities available to them throughout their school journey.

We are incredibly proud of the progress and achievements of our Academy. In recent years, Smith's Wood Academy has continued to go from strength to strength and is recognised as one of the most improved schools in the West Midlands. Our recent Ofsted inspection highlighted the significant

improvements made across the school and reflected the dedication, ambition and commitment of our staff and students.

At Smith's Wood Academy, we are determined to provide every student with the opportunity to succeed. Alongside achieving excellent academic outcomes, we place great importance on developing confident, respectful and resilient young people who are well prepared for the future. Our core values – Respectful, Resilient and Ambitious – underpin everything we do and help create a culture where students are encouraged to work hard, show kindness, embrace challenges and take pride in their achievements.

Through high-quality teaching, outstanding pastoral care and a wide range of enrichment opportunities, we strive to ensure that every student leaves Smith's Wood Academy equipped with the knowledge, skills and character to realise their full potential and make a positive contribution to society.

STEVE HUNTINGTON | PRINCIPAL

Pupils' increasingly **positive behaviour** reflects the high expectations that leaders have of them."

Ofsted 2026

Welcome to Smith's Wood

Smith's Wood Academy is located in the north of Solihull. There are approximately 780 students on roll. The Academy is in a strong position in that it is the school of choice for the local community and has been so for a number of years.

Smith's Wood converted to an academy on the 1st April 2017, working in partnership with the Fairfax Multi-Academy Trust (FMAT) – already this partnership is highly effective in bringing about real and sustainable changes to the school and its community. The newly established leadership team is making important and rapid gains in terms of school improvement.

The potential opportunities that will be afforded to our children, staff and the local community will be second to none as this partnership continues to grow and develop.

People that know us, are clear that we have an unrivalled commitment to inclusion. We demonstrate, in all that we do, our belief in the importance of providing tailored support for young people and their families – our pastoral care and guidance is a real strength of our school.

"Smith's Wood Academy pupils appreciate their school has improved significantly."

Ofsted 2026

Learning and Curriculum

Our aim is to develop both staff and students to ensure all students excel in lessons and achieve the highest outcomes.

As a school we have adopted the Teaching for Excellence model to the curriculum delivery. The curriculum for every department is knowledge rich and emphasises the development and securing deep knowledge prior to the development of skills. Teachers plan learning around carefully designed Learning Journey's and our curriculum is designed to provide a flexible, personalised education - knowing that one size does not fit all and preparing students for their future lives.

The Teaching for Excellence Model, is based on 6 key principles;

- Explanation
- Deliberate practice
- Modelling
- Questioning
- High quality feedback (in the lesson)
- High expectations

Smith's Wood aims to support every member of staff in becoming an outstanding teacher. A varied professional development programme is provided that caters for teachers at all stages in their career; teachers are encouraged to share their ideas and learn from each other. Our Coaching Programme has been well received by staff and is highly effective in terms of developing teaching and learning.

The school's careers education is highly effective. Pupils are supported to prepare well for future education, employment or training." *Ofsted 2026*

RESPECTFUL • AMBITIOUS • RESILIENT • RESPECTFUL • AMBITIOUS • RESILIENT

“

“Pupils are calm and happy around the school. The school is a friendly, respectful community where pupils can be themselves.” *Ofsted 2026*

Teaching and Learning Vision

At Smith's Wood Academy, we believe all students, whatever their background, are able to become experts in the disciplines that they study. Their expertise will be achieved through quality teaching and the dissemination of deep knowledge by highly skilled and knowledgeable subject experts. The Teaching for Excellence approach to teaching will prevail – in every classroom, every lesson, every day.

Our students have the right to be introduced to deep knowledge and a wealth of information from the spectrum of subjects that they study. They will be introduced to, and understand, theories and principles that have influenced, continue to influence, and will influence in the future, the world in which they live. They will be prepared to fully engage in academic discussion about their learning.

This learning will secure a successful place in society for our students. They will go further than they ever thought possible.

Our students are seeds of the future, it is therefore imperative that we nurture them through every step of their growth, to water them with knowledge and to provide a robust framework that enables them to grow in a way that is best for them until they have the strongest of foundations, a thirst for learning and to develop personally as well as academically.

At Smiths Wood Academy we seek to develop our students to become experts in the subjects that they undertake. We do this by ensuring that our teachers are ambassadors of excellence in their subjects and thus able to impart detailed and in-depth knowledge, in line with a comprehensive curriculum. We select the best teaching staff to develop the best students. Teachers teach with passion and striving for only the highest of standards. To offer all that we do, we ensure that our teaching staff are invested in and are developed to exacting standards not just to meet our expectations but to exceed them.

Our approach ensures that students are given regular feedback on their progress and given the chance to develop and improve. This subsequently makes them reflective learners, ensuring that they identify their own areas of development, yet in a guided fashion.

This in turn makes them more resilient and underpins their learning in class. Furthermore, this instils personal development and discipline that is encouraged through an environment created for them to develop, not just academically, but as young adults too.

We create an atmosphere conducive to learning and the students will follow a centrally set system for homework which embeds and consolidates their taught curriculum. Students are taught that learning is a continual process, and that independent learning contributes to successful outcomes. For our students, a better today leads to a brighter tomorrow.

“Pupils typically receive the additional support that they need, so they can access the curriculum. *Ofsted 2026*”

Safeguarding

Smith's Wood Academy is committed to the highest standards, prioritising above all else the protection of the children entrusted to our care.

What will we do if we have a concern about your child?

If we are concerned that your child may be at risk of abuse or neglect we must follow the procedures in our Safeguarding and Child Protection Policy. A copy of this can be found on our web site.

The procedures have been written to protect all students; they comply with our statutory responsibilities and are designed to support students, families and staff. The procedures are based on the principle that the welfare of the child is the most important consideration.

In almost all circumstances, we will speak to you about our concerns as well as inform you if we feel we must refer our concerns to the Children's Social Care Team. We will request your consent to put forward a referral, but in some circumstances we may need to make

the referral against your wishes. We will only do this if we genuinely believe that this is the best way to protect your child, and it will be recorded that you did not provide consent for the referral. If we determine that contacting you in the first instance may jeopardize the situation, we will report our concerns to the Children's Social Care Team and await further advice. We will normally tell you that a referral is being made and will record the reasons why we decided to follow this course of action.

All child protection records are kept securely and filed separately from your child's general school file. The only staff that have access to these records are those who need to be informed about the concerns in order to protect and support your child.

Child protection is an extremely sensitive issue; it raises many questions and a range of strong emotions. We will ensure we do everything we possibly can to support our students and would like to assure you that any action taken will be in the best interests of your child.

The senior DSL (Designated Safeguarding Lead)
at Smith's Wood is Mrs Katie Tucker

Safeguarding Team by email, please send them to:

safeguarding@smithswood.fmat.co.uk

You can also contact Safeguarding staff by calling the number below and following the recorded options:

Students are encouraged to develop a culture of 'tell someone'. All Academy staff are trained to recognise and respond to reports of abuse or neglect'.

Our commitment to student welfare

The pastoral care and support for our students is a priority for the Academy. We have a strong pastoral support network to ensure that no child is forgotten and that their pastoral needs are effectively met.

Each student is placed into one of four houses; Parks, Pankhurst, Hawkins and Luther-King. Healthy competition is promoted between house teams, particularly in sport, creative and performing arts.

Each year group is led by the relevant year group Achievement Leader and Deputy Achievement Leader. These colleagues promote academic achievement through high quality pastoral support.

This support network also includes;

- A Designated Safeguarding Lead (DSL)
- A school Healthcare Administrator ;
- Attendance Team;

Standards of discipline and uniform are high at Smith's Wood Academy. Our students know what good behaviour is and they demonstrate this in all that they do.

We expect all students to behave well and to demonstrate good manners and respect. We will not allow any lesson to be interrupted by poor behaviour.

- An SEND team comprising a SENDCo, Inclusion Manager and a team of Teaching Assistants;

Pupil's feel safe and well looked after." *Ofsted 2026*

The Smith's Wood Offer

Every student that attends Smith's Wood Academy will be aware of their entitlement outside the classroom and what their cultural pathway will be whilst on their school journey. This will culminate in Y11 with a successful completion of their passport allowing them to graduate, prepared for their adult life.

We are proud to offer our students the opportunity to participate in the nationally recognised Duke of Edinburgh's Award programme. As part of our commitment to developing confident, resilient and well-rounded young people, the Award provides students with valuable experiences that extend beyond the classroom and support their personal growth.

The Duke of Edinburgh's Award offers students a truly life-changing experience. It provides opportunities to discover new interests, develop hidden talents, and build confidence through a range of challenging and rewarding activities. Along the way, students gain valuable skills that support both their personal development and future careers. As a nationally recognised achievement, the Award is highly regarded by employers, colleges, and universities, making it an excellent addition to every student's educational journey.

Our facilities

We are incredibly fortunate that our Academy was built as part of the 'Building Schools for the Future' initiative. The Academy enjoys first class educational facilities that are well-maintained and conducive to exciting and successful learning opportunities. Staff and students enjoy;

- Excellent sports facilities – gym, sports hall, climbing wall, swimming pool, multi-use games area (MUGA), all-weather sports pitch and a fitness suite;
- A suite of fully equipped science laboratories and specialist ICT, art and design and technology areas;
- Drama studios, music suites and recording studios;
- Two Learning Resource Centres.

- The school benefits from a large outdoor space which is well-maintained. Students benefit from a canopied area, seating areas and outdoor table-tennis facilities for use at social times.
- Each teacher is allocated a teaching base that is well equipped and designed to maximize learning. Each classroom has a teacher workstation with a visualiser to support teaching and learning.
- An extensive programme of re-decoration, refurbishment and maintenance ensures that our environment is one in which people want to work.

Our facilities may be enviable but we are very clear that it is, of course, the people and the ethos rather than the building that make for a thriving school.

What our students say

“At Smith’s Wood, the teachers treat us like young adults and they respect us; there is no them and us, in our school it is ‘we’.” *Bailey, Year 9*

“I feel safe and happy at Smith’s Wood.”
Lily, Year 7

“We are given excellent opportunities to take part in trips and visits that help us with our learning and also help us to express ourselves.”

Oliver, Year 10

“Here at Smith’s Wood we are treated not as numbers on a spreadsheet but as young adults, we feel valued and given the confidence that we can make an impact in the world.” *Koby, Year 10*

“Teachers help me to understand the work and make sure I do my best.”
James, Year 8
