

7th September 2026

Dear Parents and Carers,

Thank you for your continued support in helping us make such a positive and promising start to the new academic year. We are particularly grateful to the many families who consistently support our school expectations and ensure their children arrive each day ready to learn.

We would like to take this opportunity to remind all parents and carers of the importance of ensuring that their child arrives at school **ready for learning and fully meeting our expectations regarding uniform and conduct.**

Our expectations are clear, well established and apply consistently to all students. This includes our requirements relating to school uniform and footwear, jewellery/piercings, including nose studs and nails.

At present, staff are spending a significant amount of time addressing issues that could and should be resolved before students arrive at school. This takes valuable time away from our core purpose: **teaching, learning and ensuring that every student receives the support they need to succeed.**

We therefore ask for the continued support of all parents and carers in checking that their child is fully prepared for school each day and meets our published expectations. Consistency between home and school is important in maintaining the high standards we expect for all our students.

For clarity, our expectations can be found here: [Uniform-Policy-1-2025-2026.pdf](#)

Thank you again to the many parents and carers who continue to work in partnership with us and reinforce these expectations at home. Your support makes a genuine difference and enables our staff to focus their time and attention where it matters most: **on students' learning, progress and wellbeing.**

Kind regards,

Miss N Munawar
Vice Principal - Pastoral
